

On behalf of myself and my family, I urge the FCC not to interfere with the current DO NOT CALL Telephone Consumer Protection Act. For the first time in as many years as I can remember, my home is not constantly being invaded by intrusive telemarketers. My dinner hour is spent with my family - not jumping up and down to answer yet another unwanted, unsolicited call.

Please continue to protect the consumer and leave this most valuable law in place.

Sincerely,

Virginia Seland
